whether that's...maybe that's one, too. I don't...I really don't know your answer to that right this minute.

SENATOR STUTHMAN: Okay, thank you. Because I do not know it either. And...but I was just trying to relate how this will affect me if I wanted to license that this summer. So thank you very much for the answers, and I return the balance of my time to the Chair.

SENATOR CUDABACK: Thank you, Senator Stuthman. Mr. Clerk, items for the record.

CLERK: Mr. President, Judiciary Committee reports LB 874 to General File; LB 1059 to General File; LB 1028, General File with amendments. Natural Resources Committee reports LB 830 to General File; LB 1163 and LB 1173, General File with amendments; and LB 1146, General File with amendments. Amendments to be printed: Senator Beutler to LB 227; Senator Hartnett, LB 227; Senator Johnson to LB 139. New resolution: LR 233, by Senator...it's an interim study resolution, Mr. President, be referred to the Executive Board. A series of name adds: Senator Burling to LB 916; Senator Johnson to LB 1054; Senator Price, LB 1142. And, Mr. President, Senator Bourne would like to withdraw his name from LB 870. That's all that I have. (Legislative Journal pages 551-559, 568.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Speaker Bromm, you're recognized.

SPEAKER BROMM: Thank you, Mr. President. The agenda isn't out yet, but I wanted to give the body a little idea of next week. Monday we'll go back to senator priority bills, and probably Tuesday as well. Wednesday we'll try to revisit Select File, I think, at some point. So that's kind of, I think, where we're headed. We are...I don't have to remind anybody, but with the short session, we do have about three weeks of half days to debate. And then I think we have...before we get into the budget, we've got two weeks of full day four-day weeks for debate. So I appreciate the job you're doing. It's...we've got a lot of bills, and certainly we're doing as well as we can. Have a safe trip home for the weekend, and be ready to go again
